

DECLARATION AND POWER OF ATTORNEY

As the below-named inventor(s), I hereby declare
that:

My residence, post office address and citizenship
are as stated below next to my name.

I believe I am the original, first and sole inventor
(if plural, names are listed below) of the subject matter
which is claimed and for which a patent is sought on the
invention, design or discovery entitled METHOD AND APPARATUS
FOR DETECTING ULTRASONIC SURFACE DISPLACEMENTS USING POST-
COLLECTION OPTICAL AMPLIFICATION, the specification of which
(check one):

 X is attached hereto.
 was filed on as Application
Serial No. and was amended on
 (if applicable).

I hereby state that I have reviewed and understand
the contents of the above-identified specification, including
the claims, as amended by any amendment(s) referred to above;
that I do not know and do not believe that said invention,
design or discovery was ever known or used in the United
States of America before my invention or discovery thereof, or
patented or described in any printed publication in any
country before my invention or discovery thereof, or more than
one year prior to this application, or in public use or on
sale in the United States of America more than one year prior
to this application; that said invention, design or discovery

has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns; and that I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me which is material to the patentability as defined in 37 C.F.R. § 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

ASSIGNMENT

This Assignment is made by Thomas E. Drake, Jr. of Fort Worth, Texas ("Assignor").

WHEREAS, Assignor has invented a new and useful invention entitled METHOD AND APPARATUS FOR DETECTING ULTRASONIC SURFACE DISPLACEMENTS USING POST-COLLECTION OPTICAL AMPLIFICATION, for which an application for United States Letters Patent is made, said application having been executed on the date set forth below; and

WHEREAS, Assignor believes himself to be the original inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, the parties desire to have a recordable instrument assigning the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in accordance with the obligations to assign the invention and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor sells, assigns, and transfers to **LOCKHEED MARTIN CORPORATION** (hereinafter referred to as "Assignee"), the entire right, title, and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and/or his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

ATTORNEY DOCKET NO.
